

## Electric Scissor Jack 2 tonne

AWESJ - 1

**£73.79**

**£88.55 inc VAT**

### Product Description:

This newly designed electric car jack is an excellent substitute to the more traditional hand operated jacks. It is simple to operate and comes complete with a tough plastic carrying case. Simply plug the adaptor into the car cigar lighter, press the key on the control panel and the car is lifted automatically, making the job much easier.

Rated Capacity : 2000kg

Rising range : 105 - 345 mm
