### Product Description:

DB5 Remote Control Car

British Secret Service 'Skyfall' Aston Martin DB5 Remote Control Car (model is approx. 11" (w)).

James Bond's Aston Martin DB5 is truly a legendary vehicle, and its special modifications have provided an assist to Bond many times in the past. Is it ready for one more mission in Skyfall? This fantastic RC features a custom designed remote that controls the full-function radio control driving, while triggering lights, sounds, light-up hidden weapons and James Bond music.

Suitable for ages 7+.

Batteries: Controller requires 3 x "AAA" (not included). Vehicle requires 4 x "AA" batteries (included).
