Product Description:

Aston Martin DB5 - Sterling Silver

Aston Workshop have great pleasure in presenting what must surely be the ultimate Aston Martin DB5 display model. This exquisite model is hand crafted from hallmarked, sterling silver and features opening doors, boot and bonnet! The car has been mounted onto a black lacquered plinth and looks absolutely stunning in contrast with the gleaming silver bodywork. Why not celebrate the achievement of attaining the DB5 you always dreamed of with this sublime hand-made representation. Sure to be the focus of any collection, this masterpiece is certain to be enjoyed both now and for generations to come! Length 12 inches
