Product Description:

CTEK Mukti MXS 5.0 Charger/ Conditioner

The new CTEK MXS 5.0 battery charger/conditioner is the latest development from CTEK in their quest for world dominance in the battery charging market.

Unlike other charger manufacturers who specialise in producing batteries with chargers being a sideline, CTEK specialise in manufacturing the smartest battery chargers in the world.

The MXS 5.0 is their latest development - an 8 stage battery charger.

The 8 stages are:

Desulphation

Soft Start

Bulk

Absorption

Analysis

Recond

Float

Pulse

NOTE THIS UNIT IS NOW REBRANDED AS THE MXS5.0 ALL FEATURES REMAIN UNCHANGED
