

DB4,DB5,DB6 AND DBS6 CYLINDER HEAD

048-006-0111AW

£12000.00
£14400.00 inc VAT

Product Description:

Aston Workshop are pleased to offer brand new 6 plug cylinder heads for sale.

Newly machined as per factory OEM standards

Pre-fitted with valve guides and original square drive style plugs.

Precise billet cam cover caps.

Pressure tested.

Please note: These cylinder heads will need valve seats plus machining prior to fitting to the vehicle.

Please contact us before purchasing, if you require us to provide this service (additional costs will be incurred).
