

DB6 MARK II UPRATED WATER HOSE KIT

AWKIT8BS

£212.81
£255.37 inc VAT

Product Description:

DB6 MARK II UPRATED WATER HEATER AND COOLANT HOSE KIT

Classic style Silicone Coolant Hose Kits have been specifically designed to directly replace your original equipment rubber hoses, to provide a more efficient, durable and reliable hose upgrade, that also brings instant aesthetic appeal to your engine. Precision-engineered to provide a direct fit upgrade. Includes fitting clips to make installation easier. Durable silicone hoses improve flow and reduce the failure points found in OE factory hose designs.

premium quality, hand-crafted, high-performance silicone hoses work to greater levels of temperature and pressure - essential when you're upgrading your engine's performance. On top of this our Coolant Hoses retain the classic look of original hose but with all the benefit of silicone.

"These hoses are wrapped to look period but are manufactured out of flexible and modern high-performing silicone.

"A must-have for any rebuild

MAY NEED SLIGHT MODIFICATION ON CERTAIN MODELS

IF YOU ARE UNSURE PLEASE FEEL FREE TO CONTACT US ON 01207233525 OR EMAIL US AT PARTS@ASTON.CO.UK AND WE WILL CONFIRM THIS FOR YOU
