**£589.69**  
**£707.63 inc VAT**

### Product Description:

Produced in conjunction with Polybush we now have these bush kits available in stock to refresh your 2001-2007 Vanquish suspension.

The OE rubber bushes fitted to these vehicles become tired and worn over time. Fitting this Polybush kit will rejuvenate your vehicles handling and are a fit and forget upgrade over standard bushes.

Contains 20 bushes in total, fitted to the front and rear, upper and lower arms.

These kits can also be fitted at our workshop premises. For a competitive quote follow the link below and complete the enquiry form at the foot of the page.
