Victory by design (DVD)

Here's a car that's got it all, the looks, the sound, and boy, did this car deliver on the track!” These are the words that Alain de Cadenet shouts from the wheel of a DBR1 as he powers through a dusty mountain pass as though racing the Targa Florio in the late 1950s. Like others in the “Victory by Design” series, the Aston Martin show is a must for those who love the marque. Featuring the milestone cars that helped make Aston Martin such a charismatic name on the race tracks of the world, from the early cars of Lionel Martin, through to the present day.
